MODULAR SPORTS SOLUTION

***The Mini-Pitch System™  
modular sports solution has  
an innovative, all-in-one design  
to help communities create  
fun and active play spaces by  
revitalizing public areas.***

Created to assist the U.S. Soccer Foundation in providing safer places to play the game, the Mini-Pitch System is ideal for transforming abandoned courts and other underutilized areas into places where children and families can come together in the spirit of teamwork, empowerment, and physical activity. The system supports the Foundation's *It's Everyone's Game* movement to ensure that all children have access to the game and its many benefits.

**Complete**

The mini-pitch comes as a modular system complete with lighting, fencing, goals, benches, ADA-compliant access, and lockable storage.

**Convenient**

Assembly can be done by a three-person crew in approximately 16 hours.

**Customizable**

You'll have options on the size of your pitch and custom signage. Acrylic surfacing is provided and can be color customized.

***“The new soccer pitches will allow our students to engage in physical fitness, learn the tenets of teamwork, and have fun. Partnerships that benefit our students are an essential part of our success as a district.”***

**– Roger León, Newark Superintendent of Schools**
